0900 - Support Personnel	2002-03, 2007-08
1000 - Educational & Government Agency Relations	2002-03, 2007-08

## IMPLEMENTATION RECOMMENDATIONS

The Board President shall appoint a committee to review the policy manual sections which are scheduled for readoption. The committee shall work with the administration and review each policy and make recommendations to readopt, readopt with revisions or delete each policy.

The recommended schedule is to permit chapters which undergo committee review to be placed on the Board agenda for a first reading and a second reading (preferably March and April) prior to final adoption (preferably May). This recommended schedule is to assure ample opportunity for input by all members of the Board.
