Planning Process

The Chester County Technical College High Schools Comprehensive Planning Committee is comprised of representatives from a cross section of our educational and business community. The committee engaged in three discussion and planning sessions:

Session I: Discuss and analyze areas of strength and challenge in the Chester County Technical College High Schools educational programs.

Generate areas of focus for determining goals

Session II: Review and finalize goals and action steps

Session III: Review and affirm final plan

The Chester County Technical College High Schools conduct ongoing exploratory assessments to identify, shape and enhance programs for students with unique learning needs. Qualitative and quantitative data are collected through analysis of PSSA, Keystone and NOCTI scores, professional development and induction surveys, questionnaires and interviews. The Comprehensive Planning Committee meets annually to oversee the implementation of the plan, review existing dates and make recommendations for revisions. The Director and building administrators coordinates the committee, gathers data for evaluation of the plan.

Processes used to ensure Accomplishment:

The curriculum development process at TCHS Pickering is ongoing. The Program of Study Task List is approved and, at times expanded upon, by the OACs. Each task has a Learning Guide developed in order to facilitate student education. The Learning Guide includes means to measure the mastery of the objective. Learning Guides also include the alignment of each task to relevant academic standards.

Explanation for any standards areas checked "Needs Improvement" or "Non Existent". How the LEA plans to address their incorporation:

*This narrative is empty.*

**Modification and Accommodations**

Explain how planned instruction contains modifications and accommodations that allow all students at all mental and physical ability levels to access and master a rigorous standards aligned curriculum.

Learning Support teachers are assigned to individual students and programs in order to provide modifications and adaptations for students. Support staff is also assigned in order to maximize the ability to help all students while still maintaining rigorous curriculum.

**Instruction**

**Instructional Strategies**
• Formal classroom observations focused on instruction
• Walkthroughs targeted on instruction
• Annual Instructional evaluations
• Instructional Coaching

**Regular Lesson Plan Review**
• Administrators
• Instructional Coaches

Provide brief explanation of LEA’s process for incorporating selected strategies.

Formal classroom observations focus on instruction via the Danielson’s Model. Walkthrough’s are conducted regularly via the EWalk system and instructors are provided with feedback about their instruction. All staff have an annual evaluation that also utilizes the Danielson’s Model. Instructional coaching to ensure best practices are utilized in an effort to meet the academic needs of students in the CTE setting. Instructional coaches work with first and second year instructors on a regular basis as part of their new-employee requirements supported by the CTC.

Provide brief explanation for strategies not selected and how the LEA plans to address their incorporation.

Peer evaluation and coaching is being considered for the future. Career Cluster Chairs are not a role that exist within the institution.
