

# ABOUT THE CFCC...

## What is Champions for Children?

Each year, the Champions for Children Golf Tournament attracts 120 golfers from the business and educational communities of Chester County. It is one of the most worthwhile local charity golf tournaments in the county with proceeds directly benefitting children in Chester County.

The tournament is sponsored by the Children's Fund of Chester County, a 501(c)(3) charitable foundation established in 1995 to improve the quality of the lives of our children. The fund is administered by the Chester County Intermediate Unit.

## How is my contribution used?

The tournament's purpose is to raise money to provide scholarships to economically-disadvantaged student graduates and to help fund student enrichment programs. The funds raised by our sponsors and players have afforded students opportunities for continued education, training and enrichment – opportunities they may not have had without this support.

Malvern, PA 19355

Chester Valley has long been considered, by most, one of the "hidden gems" of Philadelphia golf and was selected to host the Senior PGA Tour in 1985. Hosting the Senior Tour for 13 of its 17 years in the Philadelphia region, Chester Valley became known as one of the toughest tests on the Senior Tour. The 6th hole was ranked in the top five toughest holes, year to year, including the Senior U.S. Open. Golf at CVGC continues to thrive beyond its 75th anniversary. CVGC continues to be thought of as a hidden gem, and remains one of the premier courses in Chester County, the Philadelphia region, and the entire Delaware Valley.
