CHAMPIONS FOR CHILDREN

GOLF TOURNAMENT

July 22, 2024

WHAT IS CHAMPIONS FOR CHILDREN?

Each year, the Champions for Children Golf Tournament attracts hundreds of golfers from the business and educational communities of Chester County. It is one of the most worthwhile local charity golf tournaments in the county, with proceeds directly benefiting Chester County students.

The tournament is sponsored by the Children's Fund of Chester County, a 501(c)(3) charitable foundation established in 1995 to improve the quality of the lives of our children. The fund is administered by the Chester County Intermediate Unit (CCIU).

HOW IS MY CONTRIBUTION USED?

The tournament is held to raise money to provide scholarships to economically disadvantaged student graduates and to help fund student enrichment programs. The funds raised by our sponsors and players have afforded students opportunities for continued education, training and enrichment – opportunities they may not have had without this support.
