

Join Brandywine Virtual Academy and Philadelphia Virtual Academics' Knowledge Bowl Teams!

Brandywine Virtual Academy (BVA) and Philadelphia Virtual Academy (PVA) will be holding their first-ever virtual Knowledge Bowl on **April 19, 2023!**

To join, students are required to attend biweekly afternoon practice sessions and have no more than three absences from the practice rounds.

The Knowledge Bowl is for students in grades 6-8. Similar to BVA and PVA's Academic Competition, middle school students compete in a "college-bowl" format where students answer challenging questions from a variety of categories including the following: literature, math, science, American and world history, geography and contemporary events. If you are interested in participating in BVA's first-ever virtual Knowledge Bowl, please sign up by **January 19, 2023.**
