

# MEALS TO GO PROGRAM

**Even when your student is learning virtually, free meals are still available for pick-up! Here's how our program works:**

Starting Friday, April 23, meals will be available for pick-up at:

**TCHS PICKERING, FRIDAY 2:30-4:30PM AT THE MAIN OFFICE**

**Our free, drive-through, meal pick-up program is available to all community members and TCHS Pickering students who are not attending school in-person.**

**Who:** All children, ages 0-18, may receive a free breakfast and lunch meal. Children do not need to be enrolled at TCHS to receive a free meal. They also do not need to be present at the time of pickup.

**What:** A free breakfast and lunch meal bag, including 1/2 gallon milk will be provided for the upcoming week (including holidays, and non-instructional days if they fall in the upcoming week) minus the days when your student is in attendance at school.

**For days when your student is attending school in-person, a free breakfast and lunch is available to all students each day at school! See our [website](#) for details.**

\*You do not need to qualify for a Free or Reduced Meals to be eligible for free meals!
