

ABOUT THE CHILDREN'S FUND OF CHESTER COUNTY (CFCC)

What is Champions for Children?

Each year, the Champions for Children Golf Tournament attracts 100 golfers from the business and educational communities of Chester County. It is one of the most worthwhile local charity golf tournaments in the county, with proceeds directly benefitting Chester County students.

The tournament is sponsored by the Children's Fund of Chester County, a 501(c)(3) charitable foundation established in 1995 to improve the quality of the lives of our children. The fund is administered by the Chester County Intermediate Unit (CCIU).

How is my contribution used?

The tournament is held to raise money to provide scholarships to economically-disadvantaged student graduates and to help fund student enrichment programs. The funds raised by our sponsors and players have afforded students opportunities for continued education, training and enrichment – opportunities they may not have had without this support.
