Chester County Intermediate Unit

The Chester County Intermediate Unit (CCIU) is one of 29 regional educational service agencies established by the Pennsylvania State Department of Education in 1970. The Chester County Intermediate Unit administers instructional, enrichment and administrative programs and services to the 12 Chester County public school districts and also to over 50 private and parochial schools in the county.

The CCIU is governed by a Board of Directors that is comprised of one school board director from each of the 12 Chester County public school districts.

The Chester County Intermediate Unit oversees over 80 programs that directly and indirectly benefit over 86,000 public and non-public school students. These programs include instructional, remedial and enrichment services for regular, occupational and special education staff and students. Other IU services support school district leaders. The diversity of CCIU programs enable its staff to interact with school district personnel at all levels and to maintain a cohesive educational network throughout Chester County.

Our Mission

Mission Statement

The Chester County Intermediate Unit is a dynamic educational service agency providing quality, innovative and cost-effective programs to enhance the lives of students and members of our communities.

These are our beliefs in support of the Mission:

Customer Service

We do everything with the goal of exceeding our customers' expectations.

Partnership

We work collaboratively with our partners.

Leadership

We accept a leadership role in serving the needs of our communities.

Innovation

We promote change to meet evolving needs and foster innovation.

Advocacy

We serve as a liaison for our member districts at the county, state and national levels.

Professional Commitment

We maintain the highest standards of conduct.

Organizational Culture

We provide an environment that fosters teamwork, creativity, professional growth, high morale, opportunity, and pride in all we do.
