

Scorekeeper Responsibilities

Overview:

Each building coordinator must provide one faculty member who will serve as a moderator or scorekeeper for as many teams that are participating. The Reading Olympics Committee will assign a moderator or scorekeeper role to each person and will provide a mandatory training prior to the event.

The role of the Scorekeeper:

- Keeps time when questions are asked to show when 30 seconds have expired
- Keeps score during each round, verifies the score with the backup scorekeeper, and gives the total scores to each team at the end of each round

Prior to Event:

- Be familiar with all event rules by reviewing the following documents found on the Reading Olympics [website](#):
 - Question Rules and Procedures
 - Opening Announcement
 - Event Quick Guide
 - Sample Scorecard
 - Sample Question
 - Team Chaperone Responsibilities
 - Student Responsibilities

Day of Event:

- Report to Zoom Welcome Room at 5:15 pm to check-in, join breakout room assignment, and review the “Event Quick Guide”
- Call 484-667-7444 if there are any emergencies to prevent you from coming or if you will be late
- Be in your breakout room before the students arrive at 5:30 pm
